

I.S. 303's Fall Schedule Information

August 17, 2020

Dear Parents,

This September, our school will be using a blended learning model. Students will be provided instruction both in school and remotely using an online learning platform. During the remote instruction days, we will be using an online learning platform and working with families and students to maximize the time students engage in “live instruction” each day.

For those who attended our meeting on July 29th, 2020 you learned that our school chose learning model 3B. This model consists of three groups on a six-day rotation. There will be Groups A, B and C. You will notice there is an additional Group D, which will receive remote instruction 100% of the time. Groups A, B, and C will have a mix of in-person instruction and remote instruction, while group D will learn remotely 100% of the time as Group D students are those whose families selected 100% remote learning on the learning preference survey.

Prior to the first day of school, you will be notified as to which cohort (Group) your child (children) is (are) in and on which days they should report to school if you chose the blended model. You will also receive a schedule by month on which days each group **MUST** report for in-person instruction.

MODEL 3B Snapshot:

- In this model, there are three in-person student groups (A,B,C) and one fully remote student group (D).
- This model uses a six-day rotation, allowing students to receive in-person learning two days and remote learning four days in a six- school day cycle. Students will participate in remote learning on days that they do not attend the school building for in-person instruction.
- Group A, B and C will have in-person learning 1-2 days per week (twice in a 6- day rotation).

Model 3B provides students with the opportunity to attend **in-person two days in a row** on an alternating cycle so students will be in-person for two days and remote for four days.

- **Group D: remote every day; consists of students who opt out of in-person instruction.**

Model 3B

Mon.	Tues.	Wed.	Thurs.	Fri.	Mon.
Group D (Remote)					Group D
Group A	Group A	Group B	Group B	Group C	Group C

6-Day Rotation

Tentative In-Person Schedule for the Month of September

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1				10 Group B	11 Group C
Week 2	14 Group C	15 Group A	16 Group A	17 Group B	18 Group B
Week 3	21 Group C	22 Group C	23 Group A	24 Group A	25 Group B
Week 4	28 Group C	29 Group B	30 Group C	1 Group C	2 Group A

MODEL 3B- Tentative in-person schedule over a series of 4 weeks.

**** You will notice that each group goes to school for “in-person instruction” **two consecutive days** and while one group is in school the other groups are engaging in remote learning. Each group will be in school 1-2 days every week. The consecutive days change every week due to the rotation.****

As mentioned above, prior to the first day of school you will be notified of the **GROUP** your child is assigned to for in-person instruction and what days will report to the school building for in-person instruction.

We hope you find this helpful and we look forward to working with you in September.

Best,
The I.S. 303 Restart Team
