Dear Parents:

Please be advised that students should take the safest possible route traveling to and from the school. They should not arrive to school too early or too late.

They should be instructed to travel with a group, if possible, rather than walking or riding the buses or trains alone. If your child is to be picked up after dismissal, please instruct them to wait in the main office until you arrive. They should never wait outside of the building to be picked up.

Students should never speak to strangers. If a stranger should approach them on-route to school, they must report the incident to a School Safety Officer as soon as they arrive. They should also tell you of any incident when they get home.

We at IS 303, make our students' safety our number one priority. Please take the time at home to reinforce our policies with your children.

Thank you for your cooperation.

Sincerely,

Carmen N. Amador
Principal
