Building strong children, strong families and strong communities.

December 13, 2021

Greeting All,

My name is Leonard Campbell and I'm pleased to announce that I'm the new director here at the NIA afterschool program. I have a vast background in working with youth throughout New York City and can't wait to share my knowledge and wisdom with your school community. On Wednesday, December 22nd, 2021 we will be have a Winter Showcase from the hours of 3:00pm until 5:00pm and we would love to have some of the NIA Families attend. This will be a great opportunity to see what our youth have been working on and to find out more about the program. Please be advised that if you decide to come and celebrate with us in-person, you must be fully vaccinated to enter a DOE building and follow CDC/DOE COVID Guidelines. For the parents/guardians that cannot celebrate with us in-person but still want to be apart of the festivities, we will be live streaming the event.

Happy Holidays to all and can't wait to see you soon!
