Audrey Houston, Assistant Principal

Evan Rabinowitz, Assistant Principal

August 31, 2022

Dear I.S. 303 Families:

It has been an absolute pleasure serving you. For almost eleven years, as the instructional leader of the school, one of my biggest priorities was to bring us together and to establish partnerships and relationships with as many families as possible. As a parent, I know first-hand the importance of not only establishing these relationships but also nurturing them. Thank you very much for supporting me throughout these years.

As an administrative team, we focused on serving students and families and welcomed partnerships not only with our families but also with Community Based Organizations. When COVID 19 required us to make some “on the spot” changes, we all pulled together, supported and nurtured each other. As a Leader in Me “Lighthouse School”, our school has served as the light that has led many of our students to discover the leaders within themselves. We have laid the foundation for an immense amount of growth to continue.

My upcoming retirement presents me with a myriad of emotions. For more than thirty-five years I have dedicated my life to serving students and families. I want you to know that I cherish the time and relationships that we have developed throughout the years. I have learned so much from you and your children! Changes are never easy but necessary. Socrates once said, “The secret to change is to focus all of your energy not to fighting the old, but on building the new.” As I transition to this new chapter in my life, I am confident that you will continue to do great things under the new leadership. Our student leaders will continue to thrive and make I.S. 303 great.

Thank you from the bottom of my heart for working with me throughout the years. Together we accomplished great things and our students will continue to lead the way as they embrace their greatness and continue making our school a great place to teach and learn!

Very Truly Yours,
